Parishes Working Together - Where are we now and where are we going? copies of the *Summary Report-Parishes Working Together* booklet are available at the back of the Church. This booklet provides a wealth of information to assist our parishes and our schools in our planning for the future. We all want strong vibrant communities to support us in times of joy and sorrow. Because Bishop Peter recognises we are all vital members of our Diocese, he wants us to be aware of what is being planned and how it may impact on us. Many people in our parishes and schools have already been consulted and their feedback had shaped this report. We are asked to read the Summary Report and it will be a valuable resource during the next year as we begin working together to plan for the future. The Summary report is also available by clicking on the following link: http://www.imags.com.au/flipbooks/pwt_summary/

We keep the *Parishes Working Together* process in our prayers, so that together we may do our best in serving Jesus's mission to serve the world in justice and love. The full report, which has much additional information, can be accessed on: www.imags.com.au/flipbooks/pwt_full/
